

CONFERENCE WILL TURN SPOTLIGHT ON SHANTUNG PROBLEM

Expect That Question to Have the Right of
Way for Next Few Days—Japs and Chinese
Agree on Opening up of Entire Kiachow
Leased Territory to the Foreign Trade

(By The Associated Press)

WASHINGTON, Jan. 13.—With the naval treaty virtually completed the arms delegates are preparing to turn the conference spotlight on Shantung.

It is now the expectation in conference circles that during the next few days the Shantung negotiations will have the right of way while discussion of other far eastern subjects remains at a standstill.

At their meeting today the Japanese and Chinese groups reached an agreement for opening up the entire Kiachow leased territory to foreign trade and tomorrow they are to take up others of the collateral questions involved in restoration of the leasehold to China.

In the naval negotiations only a few details considered more or less perfunctory remain to be arranged. An agreement has been reached regarding methods of scrapping, under which discarded battleships may be converted in some cases into airplane carriers and training ships and a final settlement relating to Pacific fortifications awaits a reply expected hourly from Tokyo.

ALL IRELAND IS LOOKING TOWARD TODAY'S MEETING

Southern Parliament
Is to Ratify the
Treaty

(By The Associated Press)

DUBLIN, Jan. 13.—Interest in the political situation tonight centers in the meeting which will be held tomorrow by the southern parliament for the ratification of the peace treaty with Great Britain. Invitations to the session were issued today, signed by Arthur Griffith. They were directed to all deputies elected for the twenty six southern counties, including Eamon DeValera and his adherents. It is not expected, however, that Mr. DeValera or any of his followers will attend.

A chairman will be elected, the treaty formally ratified and a provisional government established. Mr. Griffith and the members of the new cabinet, according to present plans, will comprise the provisional government of the government the decks will be cleared for the complicated and laborious task of transferring authority from the British to the Irish government. All the members of the cabinet conferred at Mansion House today, discussing not only the future duties and the responsibilities of the provisional government but the immediate necessity for dealing with the threatened strike of the railway men.

Representatives of the ministry of labor were called in by the cabinet and the situation fully canvassed with a view to averting a general stoppage of the country's main transportation facilities. No official statement was issued.

Preparations for the evacuation of Dublin Castle and the withdrawal of the military forces are said to be complete. The first contingent of the auxiliary forces were withdrawn tonight in quiet and unobtrusive fashion and numerous contingents of the other cadets and of the military have received orders to depart within the next twenty four hours.

Dublin Castle today was the scene of bustling activity. The gates still were in charge of the military remained. The corridors of the various departments, military and civil were filled with trunks and baggage of all descriptions, awaiting removal to the railway station. It is understood that about the same number of auxiliaries will leave Ireland each evening during the next week as departed tonight.

The release of Irish political prisoners from Irish jails continued today. Those liberated from English and Scottish jails are expected to arrive in Kingstown tomorrow.

COUNTY OFFICIALS PLAN FOR BETTER HIGHWAYS.

County Commissioners Osborne and Mawson and L. V. Baldwin superintendent of highways, have returned from a meeting of county officials held in Decatur, to discuss development of the good roads program. The meeting was preliminary to an organization it is hoped to effect of the officials of Central Illinois whose work has any relationship to good roads development.

RESIGNATION OF BRIAND BRINGS DEVELOPMENTS

Genoa Economic Conference is Saved for
the Present

(By The Associated Press)

LONDON, Jan. 13.—Three important developments emerged today from the confusion into which the resignation of Aristide Briand, the French premier, threw the Cannes negotiations.

There were, first, that a ministry headed by Raymond Poincare will take the place of the Briand administration, second, that the Genoa economic conference appears to have been saved out of the wreckage and, third, that the reparations committee acting under the discretion it possesses by virtue of the Versailles treaty has granted Germany a moratorium until the allies arrive at a new decision with regard to her condition.

Germany, instead of paying the 500,000,000 gold marks, which are due next Sunday is to pay every ten days approximately 31,000,000 gold marks, which latter amount is considered as representing 25 percent of her exports.

Whether the Anglo-French pact arranged between M. Briand and Premier Lloyd George also can be saved is considered to depend on the conference between Mr. Lloyd George and M. Poincare.

Speculation here turns on the effect the developments will have on the contemplated general election in England and France at almost the same time as the conference is expected to open.

The French delegation received instructions from President Millerand to go ahead with its conference duties regardless of the cabinet crisis at Paris.

Under the scrapping provision as finally agreed to the United States and Japan are understood to be authorized to change into training ships the dreadnaughts of their fleet, which by the agreement are to become obsolete in 1931.

This decision was formally recorded at a meeting of the "big five" today. H. W. Malkin, a legal adviser of the British foreign office sat with the five delegation chiefs during the final reading and helped worked out several small changes of terminology.

The meeting of the Japanese and Chinese resulting in an agreement for opening up Kiachow to trade was regarded as one of the most important of the sessions that have been in progress on the Shantung problem. The policy of an "open door" is to be applied in trade development of the territory, the two delegations agreeing that all nations should have equal economic privileges. In addition China is to undertake to protect the vested foreign interests that may be installed there. Kiachow is to be a free port.

The decision to give the Shantung problem the right of way was interpreted generally as another evidence of the fundamental importance attached by conference leaders to the question of the long contested former German leasehold. In American quarters particularly there is apparent a belief that a final settlement of the Shantung situation is almost indispensable to the program of readjustment undertaken by the conference in the far east.

WOODSON NOW HAS AMERICAN LEGION POST

At a meeting of ex-service men held at J. H. Shirley's store in Woodson Friday evening an American Legion Post was formed and the following officers were chosen:

Post Commander—George A. Harney.
Vice Commander—Dale White.
Adjutant—Chester Colton.
Finance Officer—W. E. Butler.
Historian—A. J. Megginson.
Sergeant-at-Arms—William Casey.

Various plans for securing members were discussed last night and it was decided to give an oyster supper next Wednesday evening at the Odd Fellows hall, at which ex-service men and their families will be guests. It is hoped that at this time interest in the organization will be increased to such an extent that a great many new members will be added to the new post.

JERSEYVILLE WOMAN DIED HERE FRIDAY

The death of Mrs. Carrie L. Tack occurred yesterday at the Jacksonville State hospital. The deceased was 73 years old and was a resident of Jerseyville up to the time an invalidism, which necessitated her coming to the hospital.

The body was taken to the Cody Undertaking rooms and prepared for burial and was taken on the early morning train to Jerseyville where burial will take place.

Condensed Telegraphic News

(By The Associated Press)

CHICAGO, Jan. 13.—William Kroll, 27, a college student died today of injuries received on Wednesday night in a wrestling match with Walter Maurer. Kroll fell, fracturing his spine during the match. Maurer was not held.

WASHINGTON, Jan. 13.—Further conferences today between senate Republican leaders developed some doubt whether the plan for merging the soldiers' bonus and allied debt refunding bills would be adopted. Objection to the merger developed from some Republican members of the finance committee but others were said to be urging the consolidation principally because of its time saving feature.

GALESBURG, Ill., Jan. 13.—Fire caused a loss of about \$11,000 in a building occupied by the Woolworth 5 and 10 cent store and two dentists' here this morning.

CLEVELAND, O., Jan. 13.—Mrs. Virginia Derlington Green, member of the board of education today announced her candidacy, as independent for the United States senate.

BELOIT, Wis., Jan. 13.—Fifty Belvidere men armed with ice tongs and pike poles, left early today for an eight hour shift of duty keeping the Kishwaukee river free from ice while John Croll, Chicago diver explored deep pool for the body of Chapelle Kiefer, Kingston girl who disappeared on Saturday. Another shift responded for work tonight in charge of the American Legion.

WASHINGTON, Jan. 13.—Another reduction in the price of Ford automobiles including all models effective Jan. 15th, was announced here today by Henry Ford. He said the reductions would be in small amounts because production is already close to "rock bottom."

BILLINGS WILL RENEW HIS FIGHT FOR EXEMPTION

Was Director in One of the
Walsh Banks Which
Failed

(By The Associated Press)

SPRINGFIELD, Jan. 13.—Cornelius K. G. Billings, director of the former Home Savings Bank of Chicago, one of the string headed by John R. Walsh, will renew his fight in the state supreme court for exemption from liability in connection with the crash of the bank in 1905.

A petition for re-hearing of the case instituted by Abraham G. Becker a stockholder is due next Monday, according to a notice filed with Clerk Vail.

The supreme court last month reversed the circuit court of Cook county and the appellate court held that the statute of limitations, behind which Billings made his defense had not expired. The case was remanded to the circuit court with directions to overrule Billings' demurrer. The original bill filed in 1918 was dismissed by the circuit court, the appellate court affirming the action.

UNKNOWN AUTOISTS SHOOT POLICEMAN

(By The Associated Press)

BEACH, Ill., Jan. 13.—William Peterson, 30, a motorcycle policeman of Winthrop Harbor, Ill., was shot to death today by unknown persons in a speeding car which he was pursuing.

Late this afternoon a seven passenger machine with five men in it dashed thru a crowd Harbor at fifty miles per hour. Peterson immediately gave chase and came within halting distance of the machine just outside of this village which is four miles north of Waukegan. The machine was going south on the Sheridan Road.

A. T. LUCAS SEEKS SEAT IN CONGRESS

Indications are for an interesting contest for the Democratic nomination for congress in this district next spring. A. T. Lucas of Chandlerville, who was in Jacksonville yesterday, has just made announcement of the fact that he will seek the nomination.

Former Congressman Rainey of Carrollton is also an avowed candidate, and still a third candidate is resident in Pike county.

Mr. Lucas is an attorney very well known in Cass and adjoining counties. While he lives in Chandlerville and has an office here he also maintains offices in Virginia and Havana. The candidate is a Cass county product as he was born there January 11, 1879. After finishing high school he took his law course at Wesleyan, graduating there in 1906. For several years Mr. Lucas was state's attorney in Cass county and during the years of his private practice has made an excellent record as a lawyer.

KANKAKEE, Ill., Jan. 13.—Raymond Baker, charged with an automobile theft and Charles Kauchus, charged with forgery escaped from the county jail here last night by breaking thru the bars in the cell, by the aid of a table leg and then chiselling a hole thru the outer wall.

Four other prisoners refused to make their escape.

BELOIT, Wis., Jan. 13.—Beloit police at an early hour this morning arrested James Danks, Charles Slinger and Mike Jarvis, residents of this city, and recovered several thousand dollars worth of furs they were alleged to have stolen in Bradhead, Wis., last night.

SPRINGFIELD, Ill., Jan. 13.—Unimproved roads in central Illinois are rough, according to today's road bulletin of the Weather Bureau, except where they have been dragged. Oiled roads are fair to good. Less than one inch of snow covers hard roads. Mud has been cleaned from Sunset Hill on the hard road near Edwardsville.

WASHINGTON, Jan. 13.—The disable army transport Crook was 190 miles of Ambrose channel and making seven knots an hour at 6:10 a. m. today, according to a wireless to the war department. The message stated that the transport St. Mihel was about three miles starboard of the crippled vessel.

CHICAGO, Jan. 13.—Lieut. Szymanski of the United States wrestling team in the Antwerp Olympic games, now an instructor in the R. O. T. C., at Northwestern University assumed his new duties today as head coach of the Purple wrestling team. To retain his amateur standing Lieut. Szymanski will serve without pay. Northwestern wrestlers will meet the University of Chicago mat exponents tomorrow night.

ISADORE LEVIN IS INDICTED FOR POSTAL VIOLATION

Former Secretary of Civil
Service Com-
mission

(By The Associated Press)

SPRINGFIELD, Jan. 13.—Isadore Levin, former secretary of the Illinois civil service commission, who was ousted last summer, was indicted by a federal grand jury tonight on charges of violating the postal laws.

On the outside of an envelope which he sent thru the mails following his break with Governor Small and the state administration, Levin is said to have written:

"Law breaking is Small's pastime."

Levin was dismissed from the state service after the commission charged him with devoting too much time to private interests and with cruelty to his child. He then began an alleged expose of the Small administration which he accused of flagrant and wholesale violations of the civil service laws.

Among the fifty six indictments tonight was that of Thomas Hayes, charged with a \$46,000 postal robbery at Wood River, Ill., on August 4, 1921.

Edward Turner and his wife, Nora, charged with altering and raising \$1 bills to \$10 denominations, and passing them in twenty nine cities in sixteen states, they pleaded guilty. Turner was sentenced to fifteen years at Leavenworth. Mrs. Turner was sentenced to three years.

PEOPLE SHOW GREAT INTEREST IN "THE BAT"

The sale of seats for the coming presentation of "The Bat" at the Grand Theatre on Wednesday opens Monday. Manager Wright declared yesterday that there is greater interest being manifested in the forthcoming visit of "The Bat" than he has ever seen before in advance of a theatrical event.

This is the play that broke all theatrical records for the amount of business transacted during the first year of its run in New York—it is still being presented there—as well as establishing new marks, both for the amount of business done and for the length of its run in Chicago where it played one solid year.

"The Bat" comes here, staged exactly as it was presented in New York and Chicago and played by an exceptionally fine company.

WESTMINSTER STREET HOUSE NEARING COMPLETION

Work on Henry Welborn's new home on Westminster street has progressed so satisfactorily that it will be ready for occupancy by March 1. This is stucco construction and the outside work has been finished. S. G. Chumley has the contract and broke ground December 1. The residence is one of seven rooms, modern in every way, and it is understood that the contract price is \$6,000. This figure has the sound of lower construction costs than prevailed a year ago.

CONGRESS WILL MAKE DECISION OF FORD OFFER

Announcement Made
By Secretary
Weeks

(By The Associated Press)

WASHINGTON, Jan. 13.—Henry Ford's offer for purchase and lease of the government's nitrate and waterpower projects at Muscle Shoals, Ala., will be referred to congress for final decision it was announced today at the conclusion of conferences between government officials Mr. Ford.

The decision to forward the offer to the legislative branch of the government it was said, was reached after consideration of the question by executive officers lasting over a period of more than six months.

Actual transmission of the proposal was not expected to take place for at least two weeks. It was explained that the Ford proposal first would be drafted in contract form by law officers of the war department and be submitted to Mr. Ford for his signature before it was submitted to congress.

While the legal departments are working on the contract form it was stated, Secretary Weeks would prepare a report for congress containing what "comments" he believed its members should have for their information.

"What my comments are," the secretary said, "will appear when I send my offer to congress which will be done as soon as the papers are prepared."

Explaining the action taken by the conference, Secretary Weeks said he was disappointed in that Mr. Ford declined to agree to certain modifications of his plans which were considered by his conferees.

The principal modification agreed to by Mr. Ford was that guaranteeing payment annually of four percent interest on the cost whereas at first he offered interest only on \$2,000,000.

Secretary Weeks' statement explaining this agreement follows: "Mr. Hoover and I have had a long consultation with Mr. Ford about his offer for Muscle Shoals and have brought up for consideration various phrases of it. The only modification which Mr. Ford is willing to make is based on our request that the legislation be a guarantee of the cost of cost of building dams number two and three and in that matter, he has offered to pay four percent interest on the cost of the dams from the time of their completion to the expiration of the contract."

"That of course, means on the amount of money which has been returned to the government thru the amortization plan," made in the original proposal.

It was explained that Mr. Ford's refusal to accept the modification proposed for reduction of the one hundred year term probably would give congress an added task in connection with its consideration of the offer. Existing laws regulating lease of properties possessed by the federal government, it was explained, limit the period of maximum lease to less than a century and congress probably would have to modify the statutes in the event it decided to accept the Ford proposal.

Mr. Ford however, was said to have expressed an unwillingness to agree to a shorter time period than the financial investment he would make would involve a greater amount of money than he was prepared to spend under any time period less than 100 years.

Several members of both the house and senate made no effort tonight when informed that the contract would be submitted to them, to disguise their fears that both houses of congress when it reached the question of consideration of the offer, would be urged for acceptance by many members from the south whose constituencies are known to favor the Ford proposal.

It was anticipated that no small number from other sections of the country would oppose its acceptance.

THE WEATHER

ILLINOIS.—Somewhat unsettled in north, fair in south portion Saturday; rising temperature; Sunday probably fair.

Temperatures.

ILLINOIS SENATOR WANTS INFORMATION ON FOREIGN FINANCES

McCormick Will Introduce Resolution Asking
the State Department to Supply This
Information—Foreign Governments Are
Spending too Much for Land Armaments

(By The Associated Press)

WASHINGTON, Jan. 13.—Senator McCormick of Illinois announced tonight that he would introduce in the senate next week a resolution asking the state department to supply information in its possession on the financial affairs of the European governments with particular reference to their expenditure for land armaments. At the same time Mr. McCormick issued a statement in which he criticized those governments, especially France, for their retention of so many men with the colors. He declared with reference to their economic situation, that it was impossible to help them or any of them, until they abate their rivalries.

The resolution will ask for a segregation of the ordinary and extraordinary expenditures of those governments in order that the American people may have authoritative information regarding the exact causes of the chronic deficits of those powers. It will provide also for a statement of the annual interest due the United States from the several governments on war time loans.

"What profit can there be," Senator McCormick said in his statement, "in sending an American representative to the Genoa conference only to manifest our inability to extend financial help to a group of states whose political differences and financial deficits conspire together to prevent our helping them?"

Continuing he said: "When I examined the then latest available figures the cost of the French arm was equal to twice the sum of the deficit in the original budget of the republic. The retrenchment in the cost of the civil establishments—the ordinary civil payroll—of the governments in Continental Europe has not been comparable with the corresponding retrenchment of the relative prosperous and indubitably solvent of the United States."

"The French debt has increased fifty percent since the armistice. There are one hundred billion German marks in circulation now worth a cent apiece, whereas once they were worth a quarter of a dollar. There are in circulation two billion Polish marks which sell five thousand to the dollar."

"How can we help Europe until Europe is prepared politically as well as economically to put her house in order?"

"Candor compels the statement that if the French policy has progressively isolated France and her European allies during the last fourteen months, French policy has startled and disillusioned the people of the United States during the last few weeks."

SALOME TOO BAD FOR CHICAGO IT MUST BE AWFUL

May Try it On New York
Later in the
Season

(By The Associated Press)

CHICAGO, Jan. 13.—"Salome," banished from the Chicago Opera stage eleven years ago once again has been thrown into the discard after a futile attempt to convince Chicagoans that the operatic version of Oscar Wilde's famous work is art and not immorality.

Scores of persons headed by Mrs. Edith Rockefeller McCormick have launched such a storm of protest against the opera that Mary Garden, director of the Chicago Opera company tonight yielded to their wishes and cancelled all future performances of "Salome."

The opera was first produced here eleven years ago, but after three performances the protests became so voluminous that it was abandoned.

The critics termed the opera, "unclean," "obscene," "immoral," "vulgar," and "an exhibition of a girl demented by passion."

"Chicagoans don't like it, so we won't give it," said Miss Garden. "New York? Oh we may give it there."

WILL RETURN TO HOME IN INDIANAPOLIS

Mr. and Mrs. L. T. Potter will return to their home in Dundee, where Mr. Potter is manager of the Oatman dairy farm. SOLDIER BONUS MEASURE WILL NOT BE MERGED

Not to be Made Part of
Allied Debt Re-
funding Bill

(By The Associated Press)

WASHINGTON, Jan. 13.—The soldier bonus bill will not be made a part of the allied debt refunding bill, Chairman McCormick of the senate finance committee said tonight after a series of conferences had been held between senate leaders to discuss the desirability of merging the two.

Altho the merger plan was originally received favorably by a number of senate leaders, the president was said to regard it as impractical and his view was reflected in further conferences today between senate leaders. The president's objections to the merger were said by white house callers to be based on his desire for the assurance that provision definitely would be made for payment of the bonus. So far as the refunding bill is concerned he was said to believe that the refunding progress should be developed to insure returns from the allied loans before steps were taken to pledge them for a bonus.

He was represented however, as not hostile to the suggestion that the interest or principal of the allied loans be used for paying the bonus once they were available and it was stated definitely that he also would not oppose a sales tax for the purpose of paying the bonus if congress should decide upon that plan. The president however, was said to regard as impractical the suggestion that over \$400,000,000 in the hands of the alien property custodian be used for bonus payments. These funds, it was said, were regarded as pledged technically to private individuals whose property was taken.

are men, women and girls in Jacksonville willing to work in factories in sufficient number to bring employers to the city.
The first question that a factory owner asks is what are the labor conditions in your city? How many employees could I count on if I were to establish a plant here? If assurance can be had that labor is available, the Chamber of Commerce will have a strong leverage for the securing of employing firms. The labor information is very much worth while.

The board of local improvements is soon to call hearings for a considerable amount of paving work in Jacksonville. At the hearings the property owners will have a chance to discuss the work and give the improvement board their views. In the past it has been the policy of the board to postpone any improvements to which a majority of the property owners objected.

At this time the board is expecting that the sentiment will be in favor of the proposed improvements, and that the condition of Jacksonville pavements can then be improved by common consent. Paving is always indicative of progress and of better conditions, and since paving will certainly be in progress in a large number of central Illinois cities this year, there is the added incentive for Jacksonville to keep pace.

From information the public engineer has at hand the indications are that paving cost will show reduction this year and there is nothing to suggest that prices much lower can be expected in the next two or three years.

RESTRICTION OF PRODUCTION.
For many years agricultural economists and experts from the extension departments have been preaching greater production. Now they are preaching a new gospel, by inference if not with courage and directness. We've got to get more for the stuff we

Owing to the heavy expense in procuring this production no tickets will be held after 12 o'clock day of show.

produce, rather than to produce more stuff, they say. Secretary of Agriculture Wallace is a frank advocate of the new school of agricultural economy, and even President Harding in his message tackles the trouble somewhat boldly. Says he:
It is rather shocking to be told, and to have this statement strongly supported, that 9,000,000 bales of cotton, raised on American plantations in a given year, will actually be worth more to the producers than 13,000,000 bales would have been. Equally shocking is the statement that 700,000,000 bushels of wheat raised by American farmers would bring them more money than 1,000,000,000 bushels. Yet these are not exaggerated statements. In a world where there are tens of millions who need food and clothing, which they can not get, such a condition is sure to indict the social system which makes it possible.

The farmer is more interested in finding an immediate remedy than in the indictment of a social system. The emergency credit laws have not been sufficient, and as the President himself says of the long crop and the consequent low price "no legislation can cure that fundamental law." It seems to be up to the farmer himself to make the next move by way of restricted production. The cotton and tobacco growers began it, and the wheat producers of the Northwest have made tentative efforts in that direction. Now the corn growers are trying to get together on a program.—Farm Life.

WELL KNOWN COUNTY RESIDENT IS DEAD
George M. Sturdy Passed Away at His Home Southwest of the City Friday Morning—Had Resided in County Many Years.
George M. Sturdy a prominent resident of the county for many years died at his home southwest of the city at 8:45 o'clock Friday morning.
Decedent was the son of Thomas and Harriett Sturdy and was born in Lynnville, July 29, 1852. With the exception of a short time spent near Lincoln, Neb., where his partner had moved, all his life was spent in Morgan county.
He was united in marriage September 22, 1871 to Mary I. Allen. To this union seven children were born two of whom preceded him in death, Lloyd M. died October 29, 1897, and Allan R. who was killed by lightning June 15, 1921.
Those surviving are the widow and the following children: Mrs. John Gibbs, Jacksonville, Mrs. Scott Holmes, Markham, Earl Sturdy, Lee Sturdy, Woodson, Clyde Sturdy residing at home.
Mr. Sturdy was a highly respected citizen and was always upright and honorable in all his dealings with his fellow men. He was a loving father and a good husband.
For the past five years Mr. Sturdy had been in failing health, following a serious operation. During that time he has been a great sufferer but he bore it all with patience and resignation. Everything possible was done during his last illness but to no avail.
Early in life Mr. Sturdy united with the Christian church in Lynnville but in later years he attended services at Point church.
Five grandchildren also survive him and were his delight and pleasure. In his last moments of consciousness he paid special attention to his little granddaughter Nylene Sturdy who was present when the end came. The grandchildren are: Mary Kathryn, Helen, Robert Allan and Nylene Sturdy children of the late Allan Sturdy and George Sturdy son of Lee Sturdy. He also leaves three sisters and one brother, Thomas S. Sturdy, Mrs. Harriett Camp, Mary and Emily J. Sturdy all of Lincoln Neb.

Funeral services will be held from the Point church Sunday afternoon at 1:30 o'clock with interment in Diamond Grove cemetery.

AGED RESIDENT OF MURRAYVILLE DIES
Mrs. James Burns Passed Away Friday Afternoon at Age of 92 Was Mother of Mrs. R. E. Phalen of This City.
The death of Mrs. James Burns occurred at 3 o'clock Friday afternoon at her home in Murrayville, following an illness of seven weeks. The deceased was born in Ireland March 17, 1829, and came to this country at the age of 15.
The deceased was united in marriage to James Burns in 1874 and for years the family home was maintained on a farm northwest of Murrayville. Mr. Burns passed away about twenty years ago. For a time the deceased was a resident of this city, but for the past twelve years she had been living in Murrayville.
Surviving are the following children: Mrs. Peter McCann of Iowa, Mrs. Rose Phalen of this city, John Burns living northwest of Murrayville, William Burns, Mrs. Daniel Ring of Peoria, Mrs. John Maloney living south of Murrayville. Two children are deceased, Mrs. Timothy Flynn and Mrs. Mary McLaughlin.
Mrs. Burns was a woman of kindly disposition, loved and respected by all who knew her. Her first thought was ever of the welfare of her family and friends and her life was one which could be termed useful in every sense of the word. She was a faithful member of Murrayville Catholic church.
The funeral will be held at 10 o'clock Sunday morning from St. Bartholomew church in Murrayville and interment will be made in the Catholic cemetery there.

CLIO CIRCLE MEETS AT LITERBERRY
Important Session Held Friday Afternoon at Home of Mrs. C. T. Berry—Committee Named.
The regular January meeting of the Clio Circle of the Literberry Christian church was held Friday afternoon at the home of Mrs. C. T. Berry, with Mrs. A. Ratliff and Miss Lulu Henderson as the hostesses. There were fourteen members and a number of guests present and a very interesting session was held.
The program was in charge of Mrs. Cecil McGee but she was unable to be present. The members responded to roll call by giving the name of a favorite hymn. The following was the program:
Opening Hymn.
Scripture Reading—Mrs. Lella Petefish.
Paper—Miss May Myers.
Paper—Miss Lora Petefish.
Viola Music.
Paper—Mrs. Hull.
Japan, was the general theme of the afternoon and was subdivided as follows: Natural Resources, Educational Work, Social Conditions and Gospel of Labor.
At the business session the following committees were named: Flower—Miss Lulu Henderson, Mrs. Walter Long, Mrs. Coy Stice. Lookout—Miss May Martin, Miss Lora Petefish.
Domestic Committee for May Meeting—Mrs. Will Hull, Mrs. Cecil McGee, Mrs. Thomas Pierce, Mrs. Jimmie Petefish.
Entertainment Committee for May meeting—Miss Lora Petefish, Mrs. W. W. Young, Miss Elizabeth Marr, Miss Beulah Petefish, Mrs. Irving Patterson.
Invitation Committee for May meeting—Mrs. Beryl Litter, Miss Thelma Litter.
Domestic Committee for October Meeting—Mrs. Arthur Litter, Mrs. Fred Henderson, Mrs. Oren Young.

After the program and business session came a pleasant social hour and the serving of delicious refreshments by the hostesses. The next meeting will be on Friday, Feb. 10, at the home of Mrs. Oren Young.

OCEAN TO OCEAN TRAIL WILL BE IMPROVED
Some Changes Proposed in Route North of Oxnville—Preparing Pictures for National Publicity.
Various residents of Scott county in the vicinity of Riggsport and Oxnville are planning improvements on the Ocean to Ocean highway north of Oxnville. W. E. Sullivan and T. M. Tomlinson of the Morgan County Good Roads association went to Scott county Thursday with the thought in mind of securing interest for the changing of the Ocean to Ocean highway to a route south of Oxnville. The distance is greater but the road is better.
However, it was found after interviewing a number of Scott county citizens, that the north trail is to be widened at several points the hills cut down and such a change made that the road will lead thru a beautiful stretch of woods.
The Morgan county organization of the Ocean to Ocean Highway has been asked to secure views of various points of interest along the route, including camping places for tourists. Information concerning cities and towns is also desired, and the whole will be sent to the national headquarters for publicity uses.

and it shows Here

A Cow can give milk to her fullest capacity only when fed the right proportion or balance of milk making materials. Milk is made up of Protein Carbohydrates, Fat, Minerals and Water, in proportions that, practically speaking, can't be varied. Instead of making imperfect milk, a poorly fed cow gives less milk.

Feed Purina Cow Chow

and your cows will get all the Protein and Calcium needed to balance your Carbohydrate roughness.

As we ask is that you give Purina Cow Chow a trial and let your milk scales show you why you should keep on feeding it.

G. A. R. AND W. R. C. INSTALL OFFICERS

Impressive Exercises Held in American Legion Hall — Oyster Supper Followed the Installation.

American Legion hall was a busy place Friday afternoon when the Woman's Relief Corps and the Matt Starr Post of the G. A. R. held their double installation exercises. Early in the afternoon the ladies arrived and began elaborate preparations for the installation and the good time that was to follow. Mrs. Flo. Jameson-Miller of Monticello, Illinois, National Secretary of the W. R. C., was the installing officer for the Woman's Relief Corps and the following were inducted into their several positions:

President—Angie P. Weber

Second Vice President—Anna Ferguson

Junior Vice—Rena Sheppard

Chaplin—Elizabeth Leggett

Treasurer—Ada Armstrong

Conductor—Anna Norton

Guard—Belle Hooper

Secretary—Anna McCormick

Assistant Conductor—Anna Tiff

Assistant Guard—Mary G. Jordan

Patriotic Instructor—Alice Scott

Press Correspondent—Ada Armstrong

Musician—Della Correa

First Color Bearer—Isabelle Seymour

Second Color Bearer—Emma Echols

Third Color Bearer—Mamie Brooks

Fourth Color Bearer—Ella Brooks

At the close of these exercises Mrs. Angie P. Weber, presented Mrs. Miller with a beautiful brooch and thanked her in behalf of the corps for the splendid manner in which she had conducted the exercises. Mrs. Miller responded in a most pleasing manner.

After this the Matt Starr post held their installation exercises and while they were so doing the ladies prepared an excellent appetizing oyster supper with all the trimmings and it is needless to say that it was enjoyed by all. At the close a hearty vote of thanks was tendered the good ladies for the feast. Mrs. M. J. Donahue of the Monticello corps a daughter of Mrs. Miller was a guest.

The committee in special charge of the supper were, Mamie Hughtett, Ella Brooks, Anna Norton.

FINE EXHIBIT AT ART HOME

Beautiful Water Color Painting Being Shown—Many Are From Brushes of Well Known Artists

Brilliance of color, variety and fineness of conception and technique characterize the exhibition of water color paintings which opened yesterday afternoon at the David Strawn Home under the auspices of the Jacksonville Art Association.

The exhibition, which contains paintings by the best contemporary American artists, will continue for one week and is open to the public free of charge. The collection of paintings was secured by the local association from the American Federation of Arts.

Among the pictures which attract much favorable comment is "Brilliant Sunshine," by Jayne Peterson considered by many one of the strongest women painters of the present day. The bit of New England scenery in this picture is treated with brilliant color effects. The portrait work of Luis Mora, an American painter of Spanish extraction is charming in its soft display of yellow sunlight so characteristic of the southern European schools of painting. "Sun Splash" is one of the most attractive of Mora's pictures of this type.

Distinctly different are the landscape paintings of Birger Sandzen. His work is done in flat color and bears a trace of the impressionistic school. His pictures of the Rocky Mountains are done with great brilliancy of coloring and technique.

One room at the Art Home is devoted to the works of Zimmerman, one of America's foremost present day artists. His paintings are beautiful tone pictures done in dull blue, gray and black colorings. The pictures give almost an impression of exquisitely executed prints. Two of the most striking of this collection are "The Museum Tower" and "A Walled Garden."

The exhibition is one of the finest and most worth while things that has come to Jacksonville this season and will undoubtedly attract widespread interest and appreciation not only among art critics and art lovers but also among all those to whom beauty makes an irresistible appeal.

RETURN FROM SPRINGFIELD MEETING

Twenty Morgan county farmers returned yesterday from Springfield where they attended the annual meeting of the Illinois Agriculture association, the sessions of which were held at the House of Representatives hall, January 11th and 12th. Howard Leonard, of Eureka was reelected president of the association and W. A. McNeil of Chandlerville was reelected as executive committeeman from this district.

D. O. Thompson, secretary of the association gave a review of the work done during the year, 1921 on the first day of the convention. On the second day talks were given on such topics as taxation, grain marketing, live stock marketing, dairying, household management and principles of co-operative marketing, all of them being subjects of vital importance and interest to the farmer of today.

COUNTY AND CITY JOIN IN HEALTH PROJECT

Long Conference Held by Officers With Representatives of International and State Health Boards.

At an extended conference of city and county officials and citizens held Friday afternoon at the court house, an agreement was practically reached which assures the try out of a health board program in this city, under the auspices of the Rockefeller Foundation.

Dr. Platt W. Covington, state director of the International Health Board, allied with the Rockefeller Foundation and Dr. Isaac D. Rawlings, head of the state department of health, presented the proposition and emphasized some of the advantages in the proposal to the county.

The annual expense for the work proposed is estimated at \$10,000. The Rockefeller Foundation is willing to expend \$2,500, the state \$2,500 and the remaining 5,000 is to be provided by the county and the city.

There was no argument as to the benefit of the plan, the only question being one of finance. Dr. Covington explained that while the reduction of expenditures was not the purpose of the health movement, that the results do effect substantial savings of dollars as well as lives. The whole project was threshed out thoroughly, the county and city officials not being insensible to the fact that it is a fine thing for Morgan county to have the opportunity of benefiting from the first organization of the kind in the whole state of Illinois.

Agreement Reached. Before the time of adjournment while some details as between the county and the city remained to be worked out, Dr. Covington and Dr. Rawlings were given to understand that it is the desire of Morgan county to accept the excellent offer and to arrange for the development of the health program here.

It is understood that the Rockefeller Foundation will select the physician to take charge of the work and that Dr. Covington himself will come into the county for a number of days or weeks in the initial stages of the work.

With the International Health board and the state department of health behind the program here there would be no question about its effectiveness, if for no other reason, since these boards could not afford to fail.

Present at the conference yesterday were Dr. Covington, Dr. Rawlings, County Commissioners Wheeler, Mawson and Osborne, Mayor E. E. Crabtree, Dr. H. C. Veltman, County Physician, Dr. A. M. King, city health physician, Dr. W. H. Weirich, Rev. W. E. Spoons, W. L. Fay, John J. Reeve, Frank J. Heintz, Charles T. Mackness, LeRoy Craig and L. V. Baldwin, county superintendent of highways.

"BILLY" SCHNEIDER NOW HOTEL MAN IN CHILLICOTHE

Many Jacksonville people remember W. F. Schneider, a former resident. Mr. Schneider has recently taken control of a hotel at Chillicothe, Mo., and a paper in that city makes the following comment on that fact.

"After an absence of fifteen years from Chillicothe, during which time W. F. ('Billy') Schneider has promoted some of the best hotels in Illinois and Indiana, 'Billy' has returned to the 'old home town' and taken charge of The Henrietta Hotel, one of the oldest and best known hostilities in the west.

"One of Mr. Schneider's first moves was to make extensive alterations and improvements throughout the hotel with a view of putting The Henrietta back to its former high standard. Associated with Mr. Schneider is his wife and, between the two, both of whom have had wide experience in the hotel and rooming house business, they expect to give Chillicothe another first-class hotel. The new management has started well by giving personal attention to the wants of guests."

AN OLD FAVORITE COMING MONDAY

William H. Kibbie's mammoth, scenic and spectacular revival of the great and everlasting celebrated masterpiece of Harriet Beecher Stowe, entitled "Uncle Tom's Cabin," will be given at the Grand on Monday night. It is one of the grandest and most interesting and heart-rending plays ever placed upon the stage, and it will live forever in the memory of the theater-going public. William H. Kibbie, the enterprising manager, has taken great pains in staging and producing the original version of Mrs. Stowe's beautiful story, every year trying to outdo the previous. In the company this season are colored people, engaged to fill out the many pictures of the play and introduce their many old and new songs, dances and plantation shins.

This Store Wants Four Hard Roads out of Jacksonville

"A Ray of Hope Across a Cheerless Prospect"

That is what the Crescent Emblem of
The Order of
United Commercial Travelers
of America

becomes to the Widows and Orphans of members who pass away leaving their dependents without means of support.

With only a fraternal obligation, this Order has paid to helpless Widows and Orphans of deceased members, nearly a million dollars since the Widows and Orphans Fund was founded in 1892.

This relief is paid in convenient monthly installments direct to the beneficiary—not as a pension, but to carry out a pledge of Fraternal Protection.

Think of the opportunity this would give you to take part in this great work if you were a member of this Order.

The Order of United Commercial Travelers of America is not an insurance company. It is a fraternity of over 100,000 Commercial Travelers, City Salesmen, House Salesmen, Sales Managers and Merchandise Brokers in the Wholesale Trade, providing accident insurance at cost to its members and affording them other and more desirable benefits. The backing of a substantial accumulated Reserve Fund, guarantees that the insurance cost cannot exceed \$12.00 a year, to which is only to be added the amount of local Council expenses.

Over 600 Subordinate Councils in the United States and Canada. There is a Live Council in your home town. Send for a copy of the Order's magazine, "The Sample Case". Get in touch with the local secretary, or apply for further particulars to

STUDENTS HELD "PEP" MEETING

Give Basketball Team Great Send-off—Other High School Notes.

The High school had an assembly yesterday morning, during which a fifteen minute pep meeting was held as a send-off for the team which left a few minutes later. The student body raised the roof with their vociferous cheers, and also had the pleasure of hearing the captain of the team, Albert Arter, make a talk.

Another canvass of the student body for the sale of tickets for the moving pictures was made yesterday afternoon. This time the students were reached thru the various organizations. It is hoped that this method will greatly increase the sale of the tickets.

There are a number of photographs of the new High school building on display on the bulletin board at the school. These photos were taken by Superintendent Perrin, and show very clearly the excellent construction of the building and also the various rooms and laboratories in use. The pictures are especially interesting to the students as many of them were snapped when they were taken.

The seniors of the High school are already beginning to look over plans for the annual senior production. They are considering a wide range of plays, including "It Pays to Advertise," "Nation's Hale," and "Martha by The Day."

Faculty to Dine.

The High school faculty intends to set aside the trials and worries of teaching Monday evening, and enjoy a supper and old-fashioned party. At six o'clock they will gather in the cafeteria of the school, where a delicious menu will be served cafeteria style. The menu includes:

Beef Loaf.
Mashed Potatoes.
Perfection Salad Creamed Lima Beans.
Pumpkin Pie With Whipped Cream.
Coffee.

Two of the large tables of the cafeteria will be pulled together and the whole room lighted with candles, which will give a very comfortable and home-like effect on a cold winter evening.

All members of the families of the married members of the faculty are also invited. Some thirty odd guests are expected.

After supper a number of guessing contests, magazine games, profile drawings, and like amusements have been arranged for, by Miss Adele Shelah and Mrs. B. F. Shafer, wife of the principal.

The committee in charge of all the arrangements includes Miss Shelah, chairman, Miss Adele McClellan and Miss Julia Tilton.

Institute Today.

The regular monthly teachers institute for the teachers of the city school will be held this morning at the High school. These institutes are held once a month for the purpose of instructing the teachers in the latest methods and ideas being used in their profession. The institute is entirely local, and will have no speakers other than the city school officials.

PROMINENT FARMERS VISIT REED FARM

A number of prominent farmers and stockmen, who have been attending the State Agricultural meetings at Springfield, drove to Jacksonville yesterday and spent the day at the farm of Lester Reed, southeast of the city. They made an inspection of Mr. Reed's farm, buildings and herds of Shorthorn cattle and Duroc Jersey hogs.

Their visit was made doubly welcome by the hospitality of Mrs. Reed who served a most appetizing dinner to the guest.

The visitors were composed of the following well known persons, County Adviser C. C. Burns of Liberty, Ill.; Prof. W. H. Smith, of Illinois State University; W. V. Goussers of Peoria; George Curtis of Scottsville, Ill.; Ben Jakerest, of Hanover, Ill.; L. A. Varty, of Little River, Ill.; John Bonnett, of East Dubuque; D. H. Enrich, of Casey, and W. H. Van Meter, of Williamsville, Ill.

Douglas Cafe will remain open nights until 1 a. m.

RAILWAY TRAVEL GROWING SAFER.

Thirty years ago Mr. Average American, you took eight annual railway journeys, and now you take twelve. Then you rode 24 miles each trip, and now you go 38 miles. Notwithstanding you ride half as many more times now, half again farther each trip and doubtless spend half as much more time in railway travel, yet the danger to your life is less than half as great as it used to be. If you have ridden once in the last 33 years, your chances of being killed were one in 91,000,000. Or, if you have taken one trip each year during that period you came as near losing your life as one is near to 2,760,000.

One ride taken last year imposed a hazard on your life of only one in 5,673,000, and on your twelve customary journeys, you were as far from jeopardy as 473,000 is greater than 1. Altogether the railways of the United States carried in 1920 about 1,300,000,000 passengers, with one killed for each group of 5,673,000 carried, while in a total of 472,000,000 people carried in 1889, the death rate was one in 1,523,000. The danger to life of railway travelers in 1920 was therefore less than one-third of what it was in 1889, most of the reduction accruing since 1907. To be sure, there have been bad years, also exceptionally good years, but the general trend throughout the whole period has been decidedly towards the increasing safety of the traveling public.

The foregoing figures are the result of statistics compiled by the Interstate Commerce Commission.

INDUSTRIAL STRIFE AND PEACE.

James Mullenbach, chairman of the Trade Board of the labor agreement between Hart Schaffner & Marx and its thousands of union employees will discuss "Industrial Strife and Peace," at the Community Forum at the Congregational church tomorrow evening.

Mr. Mullenbach has done a notable work as arbitrator in the many problems arising between the management of this great industry and its employees and has done it so well that since the inauguration of the existing agreement there has been no labor disturbance, so well that his decisions have always been abided by. To those interested in any of the many phases of the labor situation this is a rare opportunity to learn how capital and labor can work in entire harmony.

COL. SMITH TO SPEAK AT GRACE CHURCH.

Col. Smith superintendent of the Illinois School for the Deaf has established quite a wide reputation as a speaker who has a message. His subject at Grace Church next Sunday night will be, "What America Should Have Learned in the World War." Col. Smith commanded troops in France and served at the front. This is a message everyone should hear.

ATTENDED SHOE MEN'S MEETING

T. V. Hopper was Present at Sessions of National Shoe Retailers Association—Over Five Thousand Were in Attendance.

Over five thousand dealers and their families were in attendance. A style show was given in which every style of shoe was shown on living models who promenade around the big Coliseum and Army, where the show was held displaying the modes of present footwear.

In addition to the style show the convention was favored with addresses from leading men of the country on economic questions which not only worry people who have to buy shoes, but the dealers who have to sell them as well. The Harvard Bureau of Research had many representatives present and Dr. Copeland, a member of the Bureau, made an address to the convention. Dr. Mudge, a well known minister from Philadelphia also made an address. Governor Henry Allen of Kansas was also one of the distinguished speakers.

All these men and promoters of the Convention, voiced the combined sentiment of the inauguration of more economic means to reduce the cost of shoes to the consumer.

In the style show Mr. Hopper stated that fifty models, men and women and children, were dressed to display to the association the prevailing styles, showing every conceivable style of footwear. Patent leathers were in the lead for the women with a strong showing of suedes and tans still going.

It is the custom for one local shoe merchant to attend this convention each year from Jacksonville. Mr. Hopper thinks he was greatly benefitted by attending as many suggested features of merchandising footwear was presented and discussed.

EAT PRINCESS PIE
The newest Ice Cream center, heavily chocolate covered confection. Sold by all dealers, or here, only 10c. **PRINCESS CANDY CO.**

RETURN FROM DETROIT.
Mr. and Mrs. George A. Wiseman returned yesterday from Detroit, Michigan, where they were called by a serious accident to Mrs. Wiseman's sister, Mrs. John H. Hagadorn. On the evening of December 30 Mrs. Hagadorn was run down by an automobile sustaining a fracture of the right leg in two places between the ankle and knee and also cuts about the head and severe bruises.

The injured woman was rushed to a hospital and given a surgical attention and for a time her condition was considered serious, but she is now on the road to recovery. Mrs. Hagadorn was formerly Miss Mabel Staggs of this city.

Mr. Wiseman said yesterday that Detroit was one of the busiest cities he had ever seen. However, it is rather dull there now because of the automobile factories not running with a full personnel of workmen.

Dr. Lyle of Virginia was a professional visitor in the city yesterday.

DEALINGS IN STOCKS WERE MORE ACTIVE

By Associated Press.
NEW YORK, Jan. 13.—Dealings in stocks today were more active and diversified than at any previous session of the week many standard issues making substantial gains. Continued ease of money, strength of foreign exchange and signs of an early forward movement in the steel industry stimulated the advance. Investment rails led the movement at gains of 1 to 2 points. Equipments as well as miscellaneous specialties, chiefly of the food and chemical group, made similar or greater gains but oils and steels lacked their usual prominence. The official rate for call loans remained at 3½ per cent, but that figure was shaded to three per cent of prime collateral in private offerings. The unprecedentedly large gold holdings of the federal reserve bank are said to have influenced the more liberal supplies of time money.

Regardless of the tension created abroad by the French political crisis foreign exchanges rose appreciably, sterling gained 1½c but reacted later.

Liberty issues were under further profit-taking but Victory 4½ made a new high at \$109.36. Total sales (par value) aggregated \$25,500,000.

Kansas City Livestock

(By The Associated Press)
Kansas City, Mo., Jan. 13.—(U. S. Bureau of Markets.)—Cattle—1,200; beef steers steady to weak; some held over on lower bids; top \$7.25; other classes steady; most cows \$4 to \$4.50; few young kinds \$5; best heifers, \$6.75; most canners around \$2.50; butcher bulls largely \$4.25 to \$4.50; odd vealers \$9.50; two loads medium Texas steers \$5.65. Hogs—5,000; few early sales; lighter weights to shippers steady to 10c lower; unevenly 10 to 15c lower; 150 to 190 pound weights early \$7.90 to \$8; best best 200 to 275 pounders to shippers and packers \$7.50 to \$7.75; bulk of sales \$7.35 to \$7.75; packing sows mostly 25c lower; fat pigs steady to 25c lower; best \$8. Sheep—2,500; fat lambs strong to 25c higher; top \$12.50; feeding lambs steady; 60 pound offerings \$10.60.

Chicago Livestock Market

By Associated Press.
Chicago, Jan. 13.—U. S. Bureau of Markets.—Cattle—Receipts 8,000. Better grades beef steers about steady; others and fat sheeps 15 to 25c lower. PRICE OF WHEAT TURNS UPWARD

By Associated Press.
CHICAGO, Jan. 13.—Prospects of a liberal reduction of the visible supply total on Monday helped to turn wheat prices upward today after an early decline. The close was unsettled 8c to 1½c net higher with May \$1.11½ to \$1.12 and July \$1 to \$1.11. Corn lost 1 to 1½c, oats finished unchanged to a shade higher and provisions varying from 2½c decline to 40c advance. The fact that overnight developments in the French cabinet crisis were generally given a bearish construction as affecting the wheat trade did a good deal to deter buying in the first half of the day and to depress value to a moderate extent. Later, however, more optimism was shown regarding the French political situation and the general European outlook. American traders then turned to such bullish factors as better domestic milling demand for wheat and to a material decrease of primary receipts as compared with a year ago. Announcement that Omaha dealers had sold 200,000 bushels to gulf exporters tended further to restore bullish confidence. Highest prices of the day were reached in connection with forecasts of a falling off in the next visible supply figures, but the market reacted somewhat as the session came to an end.

Corn and oats averaged as a result of an apparent slackening in export inquiry for corn. Stock yard interests were said to be buyers of provisions and these circumstances appeared to be more than offset for larger arrivals of hogs than had been looked for.

DUN'S REPORT WILL SAY TODAY

By Associated Press.
NEW YORK, Jan. 13.—Dun's tomorrow will say: "The development of general activity in business is still delayed but the prospect of further gradual revivals remains. Annual inventories have not yet been completed in all instances causing temporary deferment of new commitments, and many interests are disposed to adhere to a conservative policy, while confidence has unmistakably strengthened, different uncertainties make for continued caution and rapid commercial expansions is not to be expected. A number of factors will however, encourage the release of some orders that have been held in abeyance and the large attendance of merchants in certain primary markets occasions favorable comment. The easing in money rates, which has been extended in the new year is one of the constructive forces present and the comparative stability of wholesale prices serves to some what lessen hesitation in buying. With recognition of existing conditions of unemployment, and their effect on the public consuming capacity dealers demands to cover probable future requirements are chiefly of moderate size and appearing more frequently." Weekly bank clearings \$6,683,000,000.

Liberty Bond Market

(By The Associated Press)

SALE OF REAL ESTATE TO PAY DEBTS.

State of Illinois, Morgan County, ss. In the County Court thereof, January Term, 1922, In Probate.

In the Matter of the Estate of Bernard Gause, Deceased.—Felix E. Farrell and Pearl Gause, as Executors of the last Will of Bernard Gause, Deceased vs. Pearl Gause et al.

Petition to Sell Real Estate to Pay Debts.

Pursuant to a decretal order, made and entered in said Court in said cause, on the third day of January 1922, the said Executors will on the 11th day of February 1922, at the hour of two o'clock P. M., at the South door of the Court House, in Jacksonville in said county and state, sell at public auction to the highest and best bidder for cash in hand, the right, title, interest and estate, which the said Bernard Gause, deceased, had at the time of his death, in and to Lots 14, 16 and 17 in J. W. King's Second Addition to Jacksonville, also 60 feet off of the South end of Lot 8 in Block 24 City Addition to the City of Jacksonville, in Morgan County, Illinois, subject to the present tenancies, which are from month to month, and to the lien of taxes. Sale also subject to the approval of said court.

Abstracts of title may be had for examination at the Farrell State Bank.

Dated January 6, 1922.

FELIX E. FARRELL and PEARLE GAUSE, Executors of the Last Will of Bernard Gause, Deceased.

J. Marshall Miller, Attorney.

Fresh buttermilk for feeding livestock, 1c per gallon. **SWIFT & CO.**

DR. C. B. McAFEE AT STATE STREET CHURCH.

Members and friends of the State Street Presbyterian Church will be very interested in the fact that Dr. Cleveland B. McAfee of Chicago will preach at the Sunday morning service at State Street Church. It was Dr. McAfee who directed the attention of the pulpit supply committee of State Street Church to Mr. Marbach in December 1918 when Mr. Marbach was about to be discharged from the chaplaincy in the U. S. army.

Dr. McAfee is one of the outstanding Presbyterian leaders in the middle west. He is in great demand as a preacher, writer and lecturer. For many years he was pastor of the Lafayette Avenue Presbyterian Church of Brooklyn, a church with a membership of over twenty-four hundred. His ministries at the old Forty-First Street Presbyterian Church of Chicago and his seven years as pastor of the College church at Park College, Mo., were notable ones.

At present, and since September 1921 Dr. McAfee occupies the chair of Theology at McCormick Theological Seminary, Chicago, where he is a most popular instructor. Among the most notable books written by Dr. McAfee are his, "The Sermon on the Mount," "The Greatest English Classic" and "The Ten Commandments."

The ostensible object of Dr. McAfee's visit to Jacksonville is to share his thought and experiences with the college students of Illinois College for he comes at the invitation of the college "Y" to lead special religious services from Sunday Jan. 15th thru Wednesday, Jan. 18th. The fact that Dr. McAfee was for many months the director of "Y" religious services overseas warrants a worthwhile series of meetings.

Friends are cordially invited to State Street Church and to Illinois College to share in the special services.

CLEANUP SALE

Tuesday afternoon, Jan. 17th, at 1:30 o'clock, Grant Graft will hold a cleanup sale at the Tim Dwyer farm, 23 miles northeast of the city. The following will be offered:

HEALTH PROGRAM IS EXPLAINED TO ROTARY

Dr. Covington of Rockefeller Foundation and Dr. Rawlings of State Health Board Made Addresses — Springfield Men Guests at Friday Luncheon.

At the Friday meeting of the Rotary club the members heard with interest the suggestion of Dr. Platt Covington of the Rockefeller Foundation the proposal to establish a full time health organization in Morgan county. Dr. Covington is director of the International Health board, which represents a part of the work of the Rockefeller Foundation.

Dr. Covington was accompanied by Dr. Isaac D. Rawlings, director of the state department of health, who also made a statement with reference to the opportunity for special health work which has been offered to this county.

Other visitors of the day introduced by President Riley were John A. Barber, Springfield Rotarian, Bud Barber, Springfield; W. D. McClintock, University of Chicago, LeRoy T. Potter of Dundee and Ernest Spink of Madison, Wis.

Dr. Covington explained that the Rockefeller Institute is willing to pay one-fourth of the cost of the work proposed here, and the state one-fourth, which means that the county would be expected to bear but half the expense.

The Health Goal. This development in public health work is new in Illinois but has been tried out with signal success in some other states. The purpose is to show such improvements in health conditions, and consequently such economic savings, that it will become the rule to maintain such health departments in all the counties of the state.

It was at the suggestion of Dr. Rawlings that Morgan county was selected as the county in Illinois in which to try out the plan. Dr. Covington quoted figures from the records to show that of the total death, numbered 726, in Morgan county last year, that 300 were from preventable diseases, the including tuberculosis, pneumonia, measles, whooping cough, scarlet fever, typhoid fever, and some others.

The records also indicate that there were 1,100 people in the county sick every day last year, and using this as a basis, the speaker went on to show what great economic savings are possible thru improvement in general health conditions.

Some Guaranteed Results. It was his guarantee that if such a department is established that the death rate in the county will be reduced by at least 1 per cent, which on the basis of last year's figures would mean 34 less deaths. The life of an individual in this country has been variously estimated to be worth \$1,700, and so the speaker maintained that a saving of 34 lives a year meant a saving of more than \$57,000.

There are other and more direct savings and experience has shown that in areas where such health service is developed that there is a great lessening in the number of charity cases and that general county operating expenses are reduced.

As an example of what can be done thru intelligent public health work, Dr. Covington told of the transformation of the Panama district, where disease caused the French to abandon the project. By the application of the right principles of hygiene and sanitation by the representatives of the American government the zone has become wholly transformed and is remarkably healthy.

Rotarians were very much interested in the proposal made by Dr. Covington, which was considered later in the day by county and city officials and a number of citizens.

Mr. Barber's Record.

John Barber has been a member of Springfield Rotary Club since 1914 and has never missed a meeting of the club. On account of illness was unable to attend the meeting of Springfield Rotary club last Monday, so came to Jacksonville to attend the meeting here, thus keeping his attendance record clean.

Mr. Barber graduated from Illinois College in 1893. He was a member of the College Glee club and also played football. In speaking Friday Mr. Barber said that the last "straight ball" baseball pitcher in Jacksonville was Norman Triplett and that Ray Woods was probably the last man to catch behind the bat without a mask or glove.

Mr. Barber invited members of the local Rotary club to come to Springfield Feb. 7th, to attend a meeting. Harry Lauder will be a guest of the Springfield Rotary club on that date.

A committee headed by Earl Spink is at work making arrangements for a meeting of Rotary clubs to be held in Decatur, March 21 and 22nd. A large delegation of local Rotarians are expected to attend.

FUNERALS

LaRue.

Funeral services for Alfred LaRue were held from the Gillham Funeral Home at 10:30 o'clock Friday morning in charge of the Rev. George E. Stickney pastor of Congregational church.

Mrs. A. R. Gregory sang with Mrs. Stickney as accompanist. The flowers were cared for by Mrs. Rife and Miss Rachel Hall.

Burial was in Antioch cemetery (the bearers being William Davenport, Joe Strawn, Joseph Kumble, J. E. Erickson and Ben Davenport.

CLUBS AND SOCIETY

Entertains Sans Souci Club.

Mr. and Mrs. Fred Lynn were the hosts at the monthly meeting of the Sans Souci club last evening at their home on East State street. Twenty members were present and a delightful evening was spent with cards and dancing. At a late hour attractive refreshments were served.

South Side Circle Met Friday.

Mrs. W. W. Gillham entertained the members of the South Side Circle at her home on West State street yesterday afternoon. The afternoon was given to a study of Eugene Field and Mrs. Gillham gave a story of his life and an interesting review of his works. Miss Bernice Wood then gave a delightful reading of one of his well known poems. A social hour during which the hostess served dainty refreshments marked the close of the afternoon.

Hostess to Coterie Club.

Mrs. Adam Jaeger entertained the members of the Coterie Club Thursday afternoon at her home on Hardin avenue. Twelve guests were present and the afternoon was pleasantly spent in sewing. The hostess served attractive refreshments.

Hostesses to Card Club.

Mrs. M. D. Shanahan and Mrs. J. P. Meany were joint hostesses at a meeting of the Five Hundred club Thursday evening at the home of Mrs. Shanahan on East College avenue. A number of guests had been invited and several hours were very enjoyably spent in playing cards. Attractive refreshments were served during the evening.

Miss Cleta Brown Gave Party For Miss Ethel Rexroat.

Miss Cleta Brown gave a farewell party at her home, 502 North Fayette street Thursday in honor of Miss Ethel Rexroat who leaves soon for Monticello Seminary where she will enter as student. Many friends of Miss Rexroat were present to bid her farewell and the evening proved a most pleasant one.

Sophomore Dance A Successful Event.

The annual Sophomore Dance of Phi Alpha society last night was an important social event of the winter season and a company of 70 was present. The Phi Alpha flower is the white carnation and these flowers were used in various parts of the hall with fine decorative effect.

The Darley-Brown Serenaders furnished the music and supper was served at 11:20. Special guests invited for the evening were Dr. and Mrs. Robert Tusey, Mr. and Mrs. Carl E. Robinson, Mr. and Mrs. C. W. Cornick, Dr. and Mrs. C. H. Rammelkamp, Miss Suzanne Mayer, Messrs. Edmund Munker, C. C. Quast, George R. Poage and Mr. Guild.

The arrangements were in charge of Lester Cornick and Richmond Thomason, who were assisted by a number of other members of the society.

Monday Conversation Club Met at Duncan Memorial.

Over one hundred members and guests of the Monday Conversation club gathered yesterday afternoon at the Governor Duncan Memorial Home and heard an address given by Professor W. D. MacClintock, of the Department of English of the Chicago University. The event was the annual open meeting of the Monday Club and each member was privileged to invite five guests.

Professor MacClintock took as his subject, "The Dramatic Works of Lord Dunsany" and spoke on the life and the literary style and technique of the well known playwright. He then reviewed several of the plays and read extracts from some of the best plays. Professor MacClintock completed his address by reading in a most interesting and excellent manner, "The Queen's Enemies," one of Lord Dunsany's best known plays.

After the address the club adjourned to a delightful social hour. In the dining room afternoon tea was served and Mrs. M. F. Dunlap and Mrs. F. H. Rowe presided at the tea tables. The rooms of the Duncan Memorial were attractively arranged in a color scheme of yellow and white, carried out by the artistic use of yellow candles and yellow and white narcissi. Mrs. O. F. Baffo was the chairman of the social committee in charge of the affair and she was assisted by Mrs. H. L. Caldwell, Mrs. H. A. Perrin and Mrs. L. E. Johnston.

BIRTHS

Born, to Mr. and Mrs. Charles Souza, a son, Billy. Born to Mr. and Mrs. Paul Frank, a son, Paul J. Both arrivals were at Passavant hospital at nearly the same hour, and the events were the more interesting from the fact that the parents are quite closely related.

Born, Thursday, to Mr. and Mrs. Oral Johnson of Litchberry a daughter.

Edwin Kirkpatrick was among the city arrivals yesterday from Winchester.

DEATHS

May. Charles May died at his home in Meredosia Friday morning at one o'clock after a two days illness with pneumonia. The deceased was seventy-eight years of age and is survived by two children Emma and Fred. He came to this country from Germany when he was twenty-four years of age and lived in the Meredosia

community since that time. The funeral arrangements will be announced later.

Richardson.

The death of William Richardson occurred at his home in Franklin at 4:10 P. M. Friday January 13. The deceased was 86 years and 9 months old. He is survived by one son, William, at home, and two daughters, Mrs. Charles Button of Jacksonville, and Sadie C. Terry of Ft. Myer, Va. His wife, three sons and two daughters preceded him in death.

He has lived south of Franklin for the past fifty years. Six months ago when the death of a daughter Mollie occurred he moved to Franklin with his son. The funeral will be held at Franklin Sunday afternoon and burial will be in Franklin cemetery.

Eat PRINCESS Pie—10c

Mrs. Walter Woodward and Mrs. R. McKinney were shoppers in Jacksonville yesterday from Concord.
